

## What Are Some of God's Promises?

Throughout the history of mankind and salvation, God has made several promises and has kept each one of them. We also call these promises "covenants."

- ♥ God promised Adam in the Garden of Eden that He would send a Redeemer.
- ♥ God promised Noah and his family that He would never flood the earth again.
- ♥ God promised Abram the gift of land, blessings for the earth, and a royal name.
- ♥ God fulfilled His promise to give His people land through a covenant with Moses.
- ♥ God fulfilled the promise to give a royal name through David, from whom Jesus would be descended.
- ♥ Through Jesus Himself, God granted blessings to the whole world.
